Business:

Scott addressed how the season went virtually with meets and record keeping and how our season might possibly be run next summer with the chance of COVID still being around.

Scott has insight and knowledge on how other leagues and how USA swimming is handling meets and such. Will share more information as we get closer to next season and continue to look into it.

Georganne formed a committee to look into different meet manager software and the cost associated with it. She will report back with her findings.
